

CODEWARS

INTRODUCTION

Any technical fest is incomplete without a 'Coding Challenge', isn't it? Here we are with CodeWars, a 3-hour long ICPC style coding competition based on Algorithms, Data-structures, and problem-solving. The problem statements will be themed on defense technologies with the participants solving coding puzzles to decrypt enemy military codes and win the battle for the homeland!

PRIZE MONEY

1st Prize: Rs. 12000

2nd Prize: Rs. 8000

3rd Prize: Rs. 5000

PROBLEM STATEMENT

3-hour marathon classic ICPC style coding contest participated by students across are required to code and submit the solutions to given problem statements in any language of their choice. A reference algorithm booklet PDF will be provided to all registered teams and they can bring the printed form with them to the site of a contest for reference.

GENERAL RULES:

- The contest will be conducted on CodeForces.
- Each team will get one computer to submit their solutions to the problem statements (ICPC style)
- The team will be ranked per the number of problems. Statements solved and ties will be broken by the total time taken by each participant/penalty incurred on the wrong submission.
- Plagiarism/Use of the internet in any form is strictly prohibited and can even result in the disqualification of contestants involved.
- All decisions taken by the organizing team will be deemed as final, and no more changes will be courage.
- Any misbehavior will lead you to disqualification from the competition.
- If less than 20 teams will be registered, then only two prizes will be given and if less than 10 teams will register, only first prize will be given.
